| <input type="checkbox"/> Mixed Paper | <input type="checkbox"/> Other (Please specify): |

2 Overview of Program:

Please provide a brief summary of your school paper recovery program, including background or unique program elements. The overview is limited to 500 words.

3

Criteria:

Please provide responses for the criteria listed below. Each response is limited to 150 words. Please be specific.

1. When and why was the paper recycling program established?
2. How is the paper recycling program administered and who administers it?
3. How are students, educators, faculty, and custodial staff educated about the paper recycling program?

4. What partnerships (community, business, non-profit) have been formed to promote paper recycling, and with what results?

5. How are the program's improvements measured (financial, amount collected, and/or participation)?

6. How is the program's cost-effectiveness tracked?

7. What makes your paper recycling program unique?

4 How did you learn about AF&PA School Recycling Award?

Optional: Supporting materials can be included.

One way that AF&PA recognizes outstanding paper recycling programs is to feature best practice case studies on the paperrecycles.org website. In order to do that, AF&PA reserves the right to use, reproduce, edit, or publish the submitted information for any purpose. By submission of this form, you agree that AF&PA has the right to use any portion of your entry, name, and likeness.
